ORDERING

HOW DO I PLACE AN ORDER?

To place an order, call our team at 403-319-0028 or submit an online request for quote form using our website at www.modernrentals.ca or www.greateventsrentals.ca. If you require assistance with your quote once you have signed, you may also reach your assigned event specialist by phone or email.

HOW FAR IN ADVANCE DO I NEED TO PLACE MY ORDER?

We cannot guarantee the availability of items until an order has been finalized. Due to fluctuating inventory and high demand, we recommend that you place your order as soon as possible to secure your favourite items. Officially, all orders must be finalized three (3) business days before the delivery/pick up date.

HOW LONG IS MY RENTAL PERIOD?

Our standard rental period is a one (1) day rate. If you require the items for a longer period of time, we may be able to accommodate your request, given availability. Any items that are out of inventory and are being used will be subject to additional rental fees as detailed below:

- 1 day - Base rental rate
- 2 days - Base rental rate x1.25
- 3 days - Base rental rate x1.5
- 1 week - Base rental rate x2.5
- 1 month - Base weekly rental rate x1.75

IS THERE A MINIMUM ORDER?

Some of our products do require minimum quantities and are only available in certain increments. Please check the product page for further details. Minimums may also apply based on your location, please inquire for more details.

DO I NEED TO RETURN RENTED ITEMS CLEAN?

Votives and Lanterns: Please extinguish and discard the tea light or candle before repacking the products in the box provided.

Dishware and Glassware: Please ensure all dishware and glassware are rinsed with water and free of debris prior to repacking in their provided transit boxes.

CAN YOU SEND ME A SAMPLE?

We do offer samples for some of our inventory (though some items aren't available due to size and difficulty of shipment); please inquire about our full sample guidelines. We always encourage visits to our showroom to see product in person, play with setup and pairings, and consult with our creative event specialists.

DELIVERIES & SHIPPING

CAN I ARRANGE TO PICK UP MY ORDER?

Yes, all orders are picked up at our warehouse location 4020-9 Street SE, Calgary, Alberta. Due to the fragile nature of some of our inventory, your order may require that we arrange delivery and pickup. Please inquire to confirm the options for your order.

DO YOU OFFER DELIVERY AND PICKUP?

Yes! We deliver and pickup from many areas in Alberta. Standard deliveries are Monday-Saturday. Please inquire for more information based on your location, as delivery fees and minimum orders will apply. In between delivery and pickup, the client agrees to provide a secure storage location for rented items and accepts all risk for the agreed upon rental period until items are loaded onto the truck.

DO YOU SHIP?

Because of the special and delicate nature of our inventory, we do not ship some of our products; please inquire about your specific location and special instances.

PAYMENT & CANCELLATION TERMS

WHAT ARE YOUR PAYMENT TERMS?

At the time an order is placed, a 50% deposit will be charged to hold your order. The remaining balance must be paid fourteen (14) business days prior to the date your order is scheduled to leave our warehouse. All charges will be made to the default payment method on file unless you send in a credit card authorization form with an alternative payment method.

WHAT ABOUT CHANGES AND CANCELLATIONS?

Once we have processed your order request, we will email you an Order Confirmation. If you require any changes, please email them to your event specialist and reference your order confirmation number. The final confirmation date is three (3) business days prior to when your order is scheduled to leave our warehouse (for local deliveries), five (5) business days prior (for Southern Alberta deliveries) and ten (10) business days prior (for deliveries outside Southern Alberta), after which time you cannot make any changes to your order. Any cancellations after this time will result in a forfeiture of the 100% payment.

DAMAGED AND MISSING ITEMS

WHAT HAPPENS IF AN ITEM IS DAMAGED OR MISPLACED?

Accidents do happen! In the event of a damaged or misplaced item, replacement fees will be incurred once items are returned and reconciled by our warehouse. In the event that items are confirmed as missing or damaged, the invoice will be sent following your event, approximately ten (10) days from the time it returns to our warehouse.

Between the time of delivery and pickup, the client agrees to provide a secure storage location for rented items and accepts all risk including damage due to weather or unexpected elements for the agreed upon rental period until items are loaded onto the truck.

HOW DO YOU CALCULATE REPLACEMENT FEES?

Replacement fees vary by item and are dependent on the value of the item itself, shipping costs, and our ability to resource & restock it.

PRODUCT INFORMATION

DO YOU SELL ANY OF YOUR RENTAL ITEMS?

None of our rental items are available for purchase.

WHY AM I REQUIRED TO ORDER A SPECIFIC NUMBER OF SOME ITEMS?

Because of the specially sourced and delicate nature of many of our products, we have custom boxes and racks dedicated to safely transporting items to and from your event. The boxes must be filled in order to send them out, which is why we ask that you order these items in the increments specified for each product.

Please see below for general guidelines and check the website product pages for further details.

- Dishes: increments of 12
- Flatware: increments of 12
- Votives: quantities vary depending on style
- Napkins: sets of 10
- Glassware and mugs: increments of 12

MAY I REQUEST A CERTAIN SHADE OF COLOR OR SIZE WITHIN MIXED COLLECTIONS?

Unfortunately, we are unable to take requests about a specific shade of votive or size of frame in the collections that contain a mix of colors and sizes - the beauty is in the variety!
